STEELCASE WARRANTY For Global Products

YOU CAN DEPEND ON US. OUR PRODUCTS. OUR SERVICES. OUR PEOPLE.

Steelcase Inc. ("Steelcase") Global Products Warranty includes Steelcase®, Coalesse®, and Turnstone® brand products. Steelcase manufactures products for use around the world in every region. Products in two or more regions are "Global Products." The regional warranties (the Americas (including the United States, Canada, Mexico, the Caribbean, Central and South America), EMEA (Europe, except UK and Ireland, including Russian Federation, Middle East, Central Asia and Africa), United Kingdom and Africa, and APAC (Asia Pacific)) continue to apply for any product not included in the Global Products Warranty. Steelcase warrants that Global Products are free from defects in materials and workmanship. This warranty is valid from the date of delivery, regardless of shift usage, to the original End User and is non-transferable. Steelcase will repair or replace with comparable product, at its option and free of charge (for materials and components) any product, part or component which fails under normal use. If repair or replacement is not commercially practicable, Steelcase will provide a refund or credit for the affected product. End User means the final purchaser acquiring a product from Steelcase or a Steelcase Authorized Reseller for the purchaser's own use and not for resale, remarketing or distribution.
